This document is hereby regraded to  
CONFIDENTIAL in accordance with the  
letter of 10 October 1978 from the  
Director of Central Intelligence to the  
Ambassador of the United States.

## SOURCE

1. The Argentine Government is reported interested in buying 168,750 hectares of land located on the Alto Parana River, near the Brazilian border in Paraguay. The land is known as the "Puerto Adela Land" near the Brazilian "Siete Quedas" cataracts and facing Puerto Mendez, Brazil. About 5,625 acres of the tract front on the Alto Parana River. An individual named (fnu) Ussher of the Instituto Argentino para la Promocion de Intercambio (IAPI), a subsidiary of the Central Bank, is in charge of the plan.
2. Although the tract is presently covered with trees, source was told that the Argentine Army is interested in the land as a site for an airfield.
